About The OmniSalud Program

WHAT is it?
A new program available to undocumented Coloradans that provides health insurance plans to compare and purchase on Colorado Connect. The OmniSalud program will be offered starting Nov. 1, 2022, for coverage beginning in 2023.

Colorado Connect is a new platform and subsidiary organization of Connect for Health Colorado, the state’s official health insurance marketplace.

WHAT is SilverEnhanced Savings?
SilverEnhanced Savings is a type of financial help for qualifying OmniSalud customers that offers $0 monthly premiums and requires insurers to pay 94% of medical expenses.

WHO is eligible for SilverEnhanced Savings?
Coloradans without documentation whose income is under 150% of the Federal Poverty Level (that’s about $20,000/year for an individual and scales up based on household size) can qualify for SilverEnhanced Savings. Qualifying customers must purchase plans with “Silver Enhanced” in the plan title to receive this financial help. Applicants who don’t meet the income criteria can still purchase full-priced plans on Colorado Connect.
