

It started with The Nook, the small place with the big burgers. Welcome to our second location, Shamrocks, the Irish Nook featuring the same great burgers and fries that made us famous as well as an expanded menu. With a full-service bar, a family friendly attitude and space to accommodate 175 people we strive to be your first choice for your next gathering. Just say Ted and Mike sent you! We look forward to serving you in the years to come.
