

The Flickit Cricket Game

The Flickit Cricket Treasure Hunt

Rules

The person organising the game is the Host.

The first player to find all 10 treasures and bring them back to the host for checking is the winner. All items must be approved by the Host for a player to be deemed the winner. The Host may swap some of the items on the list before play to make the list house friendly. There are eight lists to choose from. Good luck and have fun!
