A Message from Kathleen, Openhouse’s Executive Director

I am grateful and happy for my one-year anniversary at Openhouse. It was a year of learning, listening and co-creating new programming with staff and the community, including our new mental health support programming. Shout out to Supervisors Mandelman (our hero), Ronan and Dorsey for their support.

Last year, the 3rd Circuit Court announced a decision that allows dead naming and misgendering transgender seniors in nursing homes and long-term care. The dismantling of protections for vulnerable transgender older adults is abhorrent, and the regular disregard for basic civil rights is an assault on common decency. We will update the community when the court renders its decision.

On a positive note, Openhouse applauds Sen. Weiner for authoring SB 357, the repeal of the crime of loitering--also known as the ‘walking while trans’ law--and Gov. Newsom for signing it. Transgender women of color are disproportionately impacted by this law—many transgender women have been arrested using this law based on a subjective perception. It was clearly discriminatory, unfair and targeted those Californians who are most marginalized.

We continue to remain vigilant in the ongoing work for equity, justice, diversity and inclusion including, but not limited to, our new JEDI (Justice, Equity, Diversity, and Inclusion) committee made up of staff and board members. The JEDI committee continues our work towards creating a more inclusive, diverse and equitable organization that prizes justice.

I look forward to seeing you in August.

Kathleen

Resources and Advocacy for LGBTQ Veterans

Legal Aid At Work and Impact Fund, two legal nonprofit organizations in the Bay Area, have been working with veterans discharged under Don’t Ask, Don’t Tell and predecessor policies for their actual or perceived sexual orientation. In particular, the organizations have helped veterans seek discharge upgrades for “less than honorable” discharges and remove indicators of sexual orientation on their discharge paperwork. We are now exploring advocacy with the Departments of Defense and Homeland Security to find a more systemic solution that is less burdensome on individual veterans.

If you are interested in possibly joining this effort and would like to learn more, contact: Lynnette Miner at lminer@legalaidatwork.org or (415) 593-0122 (leave a voicemail if unanswered).

Queer and Trans People in the AAPI Movement

Thursday, September 8, 12:30PM - 1:30PM
In-Person at 110 Embarcadero and Online via Livestream

When people talk about the many attacks on Asian and Pacific Islander (API) people, they usually don’t talk about gay or queer people. These attacks have been going on for a long time and seemingly nobody pays attention to it.

This special panel will highlight how these attacks are affecting the queer Asian community and how this silent violence is impacting their lives and the lives of their loved ones. It will also remove the veil of shame and secrecy around queerness that is experienced by many in the Asian diaspora.

Speakers include:
Cecilia Chung • Anjali Rimi • Morningstar Vancil • Michelle Meow • John Zipperer

This program is free, thanks to generous supporters of The Michelle Meow Show at The Commonwealth Club.
