

2024 FLIGHT BY KIEPERSOL

Fresh & Sweet

Sweet delicacy in a bright and deeply colored rosé. Flight by Kiepersol has the perfect elevated level of sweetness for a refreshing experience, highlighted by a nose of strawberry, cherry blossom, watermelon, and tangerine, with a balanced palate that adds Concord grape notes. Sit back and enjoy the Flight!

The Spotted Feather Story...

Guinea fowl have been roaming the vineyards at Kiepersol for over 20 years. As stewards of the vineyard, their constant chatter keeps deer and birds away from the grapes. Their appetite for flying and crawling critters provides a natural defense for the vines. Feathers found throughout the vines are known to be good luck charms. We believe each spotted feather found represents a release of the past. Flight is grown in a place where one can feel soulfully grounded while also letting dreams soar.
