

# THE JURY'S STILL OUT:

## What the murder of Henry Glover tells us about police accountability and our justice system today

In the aftermath of Hurricane Katrina, New Orleans police officers killed an unarmed man and burned his body behind a levee. For years, this murder was covered up by the police department. **On May 2, join the people who were at the center of the case** to learn what it takes to hold the police accountable and what it tells us about the future of our justice system.
