On the cover are four current members of the Studio Tour that were on the very first Tour map 40 Years Ago! Clockwise from upper left: Sheena Cameron, Detour - the family of late founding member Nausika Richardson, Stanley Crawford Garlic Farm, and La Chiripada Winery.

The Artists and Businesses of the Dixon Studio Tour thank you for your support over the last 40 years.

Please come prepared to respect the COVID-19 protocols of individual art studios and businesses. NM state mandates the wearing of masks over nose and mouth indoors.

Check out the new Banner Walk downtown near the Library and La Segunda, an information booth is nearby.

Check our website for the latest updates in these changing times and for a digital version of this map.
