The LA Regional COVID-19 Recovery Fund was created to help the most vulnerable in our community find relief amidst the COVID-19 pandemic. The Fund distributed $99,635,000 to 7,325 organizations across LA County. In County District 5, 1300 grantees received $18,100,000.

DEFINITIONS

- **Micro-entrepreneur** - gig economy workers with revenue of $100K or less
- **Very Small Business** - businesses with revenue between $100K and $1MM
- **Small Business** - businesses with revenue between $1MM and $5MM
- **Very Small Non-profit** - non-profit organizations with revenue less than $1MM
- **Small Non-Profit** - non-profit organizations with revenue between $1MM and $5MM

All revenue thresholds are based on annual gross revenue from most recent tax return.
