

# ALLIES TRAINING

## TRAINING PACKAGE INCLUDES:

### ASSESSMENT SURVEYS

Pre and post surveys to assess team experience, readiness and expectations when working with survivors as colleagues

### ALLIES TOOLKIT

Access our Allies Toolkit for Survivor Empowerment and refer to it as needed within your organization (for internal use only)

### INTERACTIVE DISCUSSION

Engage in breakout room discussions with your team, guided by a trainer to engage critical thinking and encourage collaboration

- Explore the importance of survivor inclusion for the anti-trafficking sector
- Learn about the ally continuum and allyship in the anti-trafficking sector
- Learn the basics of trauma literacy in relation to working with survivors
- Identify concrete action steps you can take to include survivors in your work

# 2-PART ALLIES TRAINING

Designed and curated by survivors for people that want to ethically engage survivors as colleagues in their work and programming

## TAILORED CONTENT

We utilize a pre-survey with those who will be attending the training to get an idea of where your organization is currently and tailor the training to meet your staff's needs

## WEB-BASED TRAINING

We utilize technology to offer trainings online to make them accessible and affordable. In-person trainings may be available upon request

## BOOKING & INQUIRY

To book a training or request more information, you can contact Wade Arvizu at: [wade@survivoralliance.org](mailto:wade@survivoralliance.org)

## CLIENT TESTIMONIAL

*"Thank you so much for this training. We have been wanting to better engage with trafficking survivors to inform our programs but didn't know where to start. Now I feel like I know what our next steps are and I have so much to think about. Thank you!"*
