TRUSTEE RECRUITMENT 2024
Introduction

Would you like to play a key role in a charitable foundation committed to tackling social and environmental issues? If so, we are looking for a trustee to join the Samworth Foundation, a grant-making charity, to help us invest our money in organisations working to bring about positive change.

For this position, we would really like to hear from people who have lived and/or learned experience of modern slavery, human trafficking, and/or exploitation.

We are a small team of four trustees and three employees. You can find out more here.

The Samworth Foundation

Established in 1973, the Samworth Foundation is a grant-making charity founded and funded by the Samworth family. As a funder, we aim to bring lasting change to issues that impact on people, communities, and the environment, in the UK and internationally.

Our core grant making focuses on two themes:
- Building lives free from modern slavery and exploitation.
- Better farming systems that enhance nature and address climate change.

We are a proactive grant-maker, identifying potential grant holders and inviting them to submit applications.

The Trustee role

Trustees share responsibility for governing the Foundation and directing how it is managed and run.

You will help us effectively distribute our money to organisations working to address social and environmental issues in the UK and overseas.

Trustees are not paid, but reasonable expenses incurred whilst on trustee business, for example travel costs to attend a meeting, will be reimbursed.

A role profile can be found on page 3, and you can find out more about the responsibilities of a trustee here.

About you

We are looking for someone with a commitment to the vision of the Samworth Foundation, who is thinking about taking their first step into a trustee role or who is or has been a charity trustee before.

We are committed to promoting diversity, equity, and inclusion, and as outlined above, we would like to hear from people who have lived and/or learned experience of modern slavery, human trafficking, and/or exploitation.

By lived experience we mean the knowledge gained from your own personal life experiences. By learned experience we mean the understanding you have gained from your anti-slavery work.

How we will support you

To help you carry out your role effectively, we will:
- Offer an induction to the Samworth Foundation, which will include copies of all relevant documents, the opportunity to meet with the Chair, other trustees, and the staff team.
• Offer training to support you in your role.
• Ensure that trustee meeting papers are circulated electronically one week in advance of meetings so that you can prepare.
• Ensure that you are kept up to date on matters relating to the Foundation.
• Organise and accompany you on visits to grant holders.
