A. Zero Lot Line Discussion

Mr. Costa informed the Board that there is an upcoming meeting with Chairperson of Joint Land Use Board, Attorney of Joint Land Use Board, Mayor and Business Administrator to discuss Zero Lot Line. Mr. Costa stated currently there is no ordinance, he is focusing on what the Board wants to do moving forward. The Board discussed the following:

- option that residents could apply for variance
- master plan and impact of two-family dwellings such as parking/traffic/schools
- having single family homes knocked down and replaced with two family dwellings
- certificates on non-conformity for existing duplexes
- discussed less than 10% of homes are two family dwellings
- maintenance issues such as different color sidings and roofs

The Board was not in favor of a zero lot line ordinance returning to the Borough.
8. Public Comments

Mayor Madden asked who owns the property on 140 Union Ave and if any part was in a flood zone.

The Board informed Mayor Madden of the owner listed on the application and stated the Engineer was aware of the flood concerns.

Mayor Madden asked a question about zero lot line using his property as an example.

The Board answered that a use variance would be required.

The Mayor agreed that the Master Plan is very important for Borough's direction.
