**Be the best you can be and make no apologies!**
Follow the instructions listed below to make your very own Wonder Woman tiara!

**SUPPLIES NEEDED:**
- White printable card stock
- Scissors
- Glue (clear tape will also work)

1. Print out this activity sheet on A4 or Letter size cardstock.
2. Cut out all three template pieces.
3. Glue one straight band behind the main tiara’s left edge. Glue the other band behind the right edge.
4. Measure the tiara around your head. The bands would definitely be a lot longer than needed. Trim the ends to achieve the right length. Glue the ends of the two bands together.
5. Finally, try on your Super Hero crown!
