Hey friends! I’m raising money to support Creativity Explored, a non-profit organization very close to my heart. Creativity Explored partners with developmentally disabled artists to celebrate and nurture the creative potential in all of us. Artists receive supplies, studio space, professional instruction, and earn income for their artwork.

I love visiting the CE gallery, reading about the talented artists, and purchasing original artwork and products for my friends and family. [or anything else explaining your experience with CE, and why the space inspires you].

Help me support the artists of Creativity Explored by donating to my fundraiser today! Each little bit counts. To start us off, I donated [kickoff donation amount] to my fundraiser. I hope you’ll consider donating too!
Thank You for supporting Creativity Explored!
