

17th Annual NCET Dragonfly Energy Tech Awards

NCET
Business. Technology. Events.™
1385 Haskell Street | Reno, Nevada | 89509

Nevada's Center for Entrepreneurship and Technology is the only regional networking organization providing consistent, relevant, and well-rounded professional development events designed specifically for Northern Nevada businesses and enterprises. As an independent 501(c)3 nonprofit organization, NCET is funded by memberships, sponsorships, and program revenues.

For nearly two decades, NCET has honored companies, organizations, and individuals who have greatly enhanced the growth and prestige of Northern Nevada's technology, business, and entrepreneurial support community with its annual Tech Awards.

May 13, 2024, is sure to be an evening you won't want to miss. The *17th Annual NCET Dragonfly Energy Tech Awards* will be a wonderful opportunity to support Northern Nevada's burgeoning tech community, and to network with industry influencers.

The Tech Awards are NCET's largest, and most high profile showcase. As such, it is a significant source of revenue supporting NCET programming throughout the year.

NCET could never host the Tech Awards without the tremendous support of our partners. We have several opportunities, providing incredible exposure both at the event and through our media channels. The following page outlines sponsorship levels for your consideration.
