OUR STORY
Colorado Dragon Boat Festival
Colorado’s Premier Asian American, Native Hawaiian, Pacific Islander (AANHPI) celebration for the whole family

The Colorado Dragon Boat Festival (CDBF) started in 2001 with the hope to bring Coloradans together to showcase the amazing contributions and accomplishments from our Asian American, Native Hawaiian, Pacific Islander (AANHPI) communities. Since then, we have grown into the USA’s LARGEST AANHPI cultural event and Dragon Boat race. We are Colorado’s premier AANHPI event and family-friendly summertime festival.

Now, more than ever, we need Colorado and the nation to take a stand and support our AANHPI communities and members. We need companies of all sizes to lead us in the direction of support, compassion, and advocacy. By financially supporting Colorado Dragon Boat you will show the world your support of diversity, equity, inclusion, and accessibility. Together, we will build bridges of awareness, knowledge, and understanding.

Within the following pages, you will find multiple opportunities to support Colorado Dragon Boat, while simultaneously supporting the AANHPI community. Your company will create brand experiences with exclusive presentation rights for features of the Festival. Show Colorado your support and investment in AANHPI culture and diversity by financially supporting us today.
