FALL FOLIAGE Festival

OCTOBER 15 & 16

Complementing the natural beauty of the area, the weekend offers walks on the picturesque Canadian River Historic Wagon Bridge and on the trails at Lake Marvin and the Black Kettle National Grasslands. Visitors to Canadian may also enjoy the museums and galleries; wagon rides; Arts & Crafts Show; special exhibits at Lake Marvin; and as always, Nature's Glorious Showcase of Color. We encourage our guests to enjoy the special shopping opportunities and activities in the community.
