

NEW VIRTUAL PROFESSIONAL DEVELOPMENT SESSIONS

New Teacher Jump Start

Public Consulting Group's Project Success Resource Center delivers targeted professional development and coaching designed specifically for teachers and leaders who support students with disabilities.

The New Teacher Jump Start will build foundational skills with new special education teachers that emphasize planning, collaboration, and instructional best practices. Registration is for three (3) 1.5 hour virtual sessions and will include relevant, engaging content designed specifically for new teachers.

\$150.00 per teacher.
Professional Growth Certificate provided.

SESSION I Thursday, February 3 | 3:00-4:30 pm ET

Session Topics Include:

- Presumed Competence and High Expectations
- Student Communication and Core Vocabulary
- Collaboration with Colleagues (general educators, administrators, and paraprofessionals)

SESSION II Thursday, February 10 | 3:00-4:30 pm ET

Sessions Topics Include:

- Unpacking Standards/Unpacking Alternate Standards
- Universally Designed Lesson Plans

SESSION III Thursday, February 17 | 3:00-4:30 pm ET

Session Topics Include:

- Goal Writing Best Practices
