Getting to the polls can be a challenge. But voting doesn’t have to be.

**1 REGISTER TO VOTE.**
Register or, if you have recently moved or changed your name, update your registration NOW!

**2 REQUEST YOUR BALLOT.**
Request your mail-in ballot by completing an absentee ballot application. Submit it **ASAP** to make sure you have enough time to receive and submit your ballot by Election Day. We suggest turning in your application by October 5th.

**3 FILL OUT YOUR BALLOT.**
Carefully read and follow the instructions on the ballot. Remember to sign and date wherever indicated on both the ballot and the envelope.

**4 SUBMIT IT!**
To ensure your ballot arrives on time, mail it in two weeks before Election Day or deliver it in person to one of your county’s ballot drop boxes.
