The Menokin Foundation have done everything possible to assure that our guests have an enjoyable river/creek experience. We like to inform our guests that a river/creek trip, camping trip, or cleanup, is not risk free. The same elements that contribute to the unique character and fun of a river/creek, such as shooting the rapids can cause loss or damage to equipment, injury, illness or in extreme cases, permanent trauma or death. We do not want to heighten or reduce your enthusiasm for the experience, but we do want you to know in advance what to expect, and be informed of some of the possible risks.

ACKNOWLEDGMENT OF RISK

I realize that changing water flow or currents, submerged or semi-submerged objects, varying wind and weather conditions, the presence of other watercraft, the speed at which I travel, the stability characteristics of a watercraft, and certain foreseen and unforeseen events or hazards can contribute to the unpredictability of the activity; that certain risks associated with this activity such as, but not limited to collision, upset, overrun, and sinking can result in getting wet, injured, exposed to the elements, drowned, and personal property getting damaged or lost; that for swimmers and non-swimmers, wearing a U.S. Coast Guard-approved Personal Flotation Device (PFD) is a basic safety precaution (I agree to wear my PFD at all times); that I may suffer accidents or illness in remote places where there are no available medical facilities; and that I should ask about potential hazards and recommended precautions and procedures. I also realize that participation in the activity can result in personal injury, accident, or illness, including but not limited to insect bites, reptile bites, exposure to marine life forms including bacteria, heat related injuries and illness (heat exhaustion, heat stroke, dehydration), sprains, broken bones, hypothermia, slipping when getting in or out of watercraft, paralysis, dismemberment, or death.

I certify that the participants from my family listed below, including minor children, are fully capable of participating in the experience. I state that I have read the above statement on some of the possible risks in this activity. Therefore, I assume full responsibility for myself, my family, including minor children, for bodily injury, death and loss of personal and rental property and any expenses as a result of my negligence, the negligence of members of my family, or the negligence of Menokin Foundation. I also understand that Menokin Foundation reserve the right to refuse any person they judge to be incapable of meeting the requirements of participating in the experience. The participant(s) listed below are in good physical condition and able to undertake this activity.
