What our candidates are saying

## Venue Sales Director

"It's rare that you come across such a conscientious recruiter. Someone who cares. An expert in her field."

HELP Recruitment helped me to find my current role and we have kept in touch ever since. H-R has a great list of clients and contacts especially within the hospitality industry and she was able to open doors for me which I will always be grateful for. Her knowledge of the UK market is excellent and she will be my first port of call when I want to consider my next career move.

I would always recommend H-R to anyone who is thinking of making that next step in their career, who wants to understand their options, set up some great opportunities and all hassle-free."

## Operations Manager

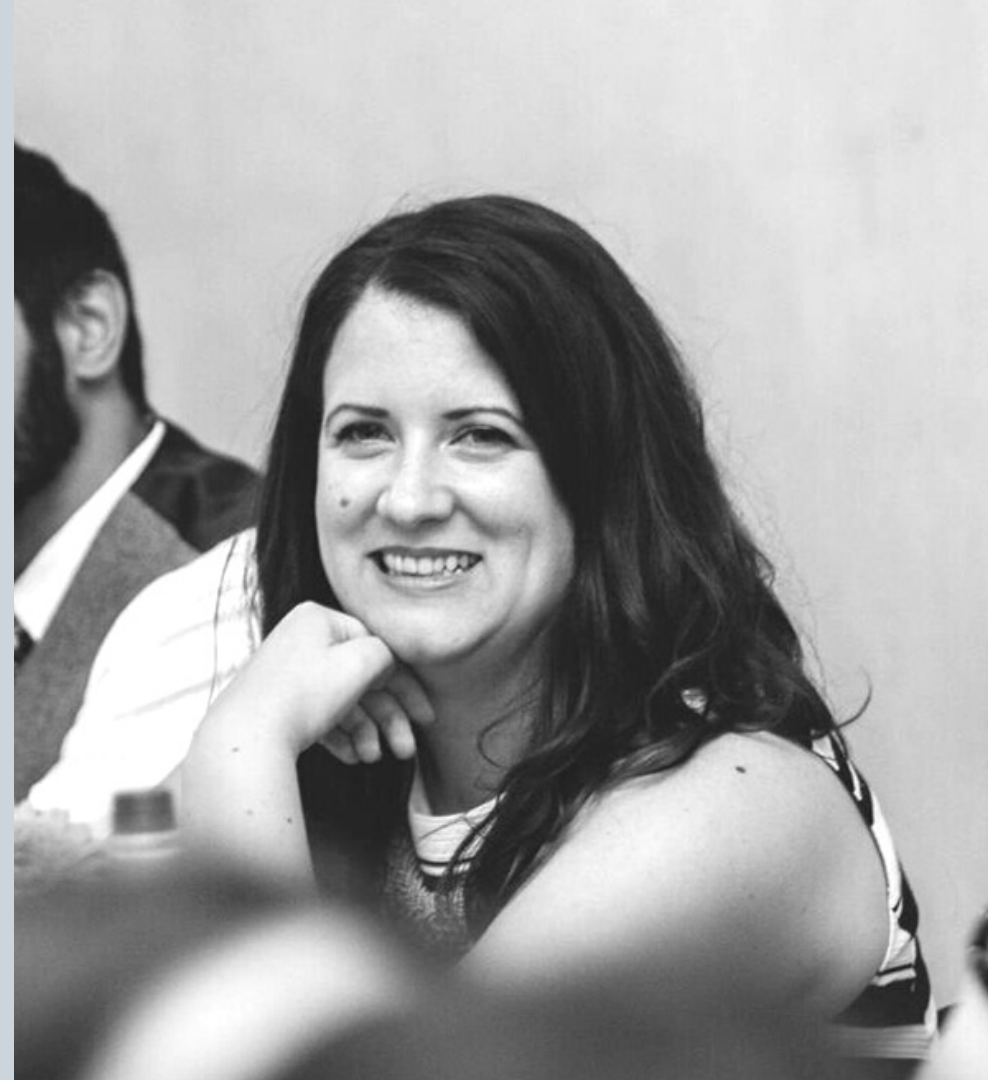

"Thank you for your assistance in finding my new role. I have honestly never worked with such a friendly and understanding recruiter. I would be delighted to recommend you to both clients and colleagues alike."
