TEACHER TESTIMONIALS

I just wanted to reach out and express my sincere gratitude for the Thanks A Million event you put on Saturday! I was absolutely blown away by the amount of supplies I was able to receive for my students, as well as a couple fun things for me! I am so grateful your program exists, and I felt so appreciated. Thank you for collecting so many donations and coordinating so many wonderful volunteers!

-Kathryn Unger, 4th grade teacher

I wanted to take a moment to say thank you to everyone involved in helping to make the teacher appreciation a huge success! You all did an amazing job making me feel appreciated and welcome. Not only has Schoolhouse Supplies helped me with MANY past projects and collections of amazing things, but to give back even more and in such a great way! I truly appreciate that you have always been a support for teachers and look forward to bringing some teacher friends with me next year! Hats off to your staff and crew, and again, THANK YOU!
