GROWN 

The NW'S BEST
CITRUS SOURCE

ALGERIAN *mandarin*

**Sweet, Balanced Acid,
Easy-Peel, Few Seeds**

This super sweet, easy-peeling and virtually seedless citrus is richly flavored and an ideal snacking fruit.

CLEMENTINE *mandarin*

**Sweet, Medium-Acid,
Easy-Peel, Seedless**

Irresistibly sweet and subtly tangy with smooth, easy-peel skin, this seedless variety is a tasty eater.

BUDDHA'S HAND *citron*

Zest, Candy, Infuse

Virtually juice and pulp-free, Buddha's Hand is valued for its aromatic rind, which can be zested or sliced and candied. Kept whole, Buddha's Hand can be used ornamentally.

LEMON T'ORANGE

citron

Juicy, High-Acid, Zest, Infuse

A fantastic replacement for standard lemon, Lemon T'Orange zest is also ideal for infusing liquor or juicing for cocktails.

CARA CARA NAVEL

orange

Balanced, Juicy, Seedless

A Navel unlike any other, Cara Cara's juicy, salmon-toned flesh makes it a deliciously special variety. With subtle berry notes, Cara Cara is great for snacking and juicing.

LOU LOU NAVEL

orange

**Sweet, Juicy, Seedless,
Easy-Peel**

Citrus farmer Lisle Babcock named this orange after his wife Mary Lou because both are “sweet and smooth.” Lou Lou is easy-to-peel, seedless and juicy making it great for fresh eating.

HEIRLOOM NAVEL

orange

Sweet, Balanced Acid, Juicy

This orange is known as one of the best fresh-eating varieties of the season! Juicy with a sweet, balanced flavor, Heirloom Navel is not to be missed.

MAKRUT

lime

Aromatic, Zest, Infuse

Popular across Asia for flavoring curries and soups, Makrut lime's aromatic rind and tart juice can also be used in baking and to infuse cocktails.

FINGER *lime*

High-Acid, Fresh Eating

With pulp often referred to as “lime caviar,” Finger limes’ unique pearl-like flesh pops with a burst of sweet-tart flavor in your mouth. Use for a splash of lime flavor over oysters or in cocktails, dressings, sauces and jams.

SWEET *lime*

Juicy, Sweet, Low-Acid, Zest, Fresh Eating

Sweeter than standard limes, Sweet lime is great for fresh eating and also used in cocktails, fruit salads or baked goods. Sweet lime is low-acid and ideal for eaters with sensitivities.

YUZU

lemon

Aromatic, Tart, Zest, Juicy

Used in numerous Japanese dishes, chefs worldwide look to Yuzu for its aromatic rind and tart juice to flavor sushi, hot sauces, seafood and more.

PINK VARIEGATED *lemon*

Tangy, Tart, Juicy, Zest

Prized for its tangy rind and tart, pink juice, Pink Variegated lemon can be used anywhere calling for standard lemon.

MEYER *lemon*

**Aromatic, Balanced, Zest,
Infuse, Candy**

Loved by chefs, Meyer lemon is known for its tasty, tender skin and sweetly balanced juice. More mellow than standard lemon, Meyer lemon is tasty fresh or in recipes.

RIO STAR *grapefruit*

Juicy, Balanced, Fresh Eating

Balanced and sweetly-acidic, the intensely grapefruit-flavored Rio Star is a phenomenal variety! The perfect pick for grapefruit lovers.

STAR RUBY *grapefruit*

Juicy, Sweet-Tart, Fresh Eating

Deep-red flesh and an exceptional flavor make Star Ruby ideal for both juicing and fresh eating. The darker the flesh, the sweeter the taste.

AFRICAN SHADDOCK

pummelo

Sweet, Fresh Eating

Pummelo requires a little extra work to separate the flesh from the pith, but its tasty grapefruit-like flavor is worth the work. Use African Shaddock in cocktails, to flavor sorbets or enjoy fresh as a snack.

ORLANDO

tangelo

**Mildly-Sweet, Juicy, Easy-Peel,
Few Seeds**

Juicy, with tangy sweetness, Orlando is an easy-peeling tangelo whose pebbly skin makes it recognizable.

PAGE *mandarin*

**Mildly Sweet, Juicy, Easy-Peel,
Few Seeds**

Page mandarin is an exceptionally delicious variety perfect for fresh eating or juicing. Its thin, deeply-hued skin is slightly pebbled and peels easily.

SATSUMA *mandarin*

**Sweet, Juicy, Easy-Peel,
Few Seeds**

One of the most popular varieties for a good reason, Satsuma is fragrant, high in sugar, juicy and tender. So easy-peeling, its rind is known as “zipper-skin” for how effortlessly it tears off.

KISHU *mandarin*

Sweet, Balanced Acid, Easy-Peel, Seedless

This small mandarin packs big flavor! Donut-shaped Kishu is sweet and tangy like citrus candy.

NOVA *mandarin*

**Juicy, Sweet, High-Acid,
Easy-Peel**

Large, round and often feature a bump at the end of the stem. Nova is super sweet with a high acid content, making them flavorful and vibrant.

LEE
mandarin

Medium-Acid, Sweet, Juicy

With thin skin that clings to the fruit, Lee mandarin develops a deeper orange color as it matures.

This sweet-tart variety is a tasty fresh eater or great for juicing.

FAIRCHILD *mandarin*

Juicy, Sweet, Balanced Acid

Easily recognizable by its flattened top and bottom, this juicy, rich-orange-hued and tender-fleshed mandarin grows sweeter as the season progresses.

LIMEQUAT

lumquat

**High-Acid, Edible Skin,
Floral, Tart**

Tart and juicy, Limequat can be eaten whole or used in cocktails, marmalades or preserved with salt.

OLINDA VALENCIA *orange*

**Sweet, Juicy, Easy-Peel,
Few Seeds**

The most widely grown variety of Valencia, Olinda is the perfect orange for juicing. Also delicious for fresh eating, this easy-peel variety is sweet and nearly seedless.

MANGO VALENCIA

orange

**Mildly-Sweet, Low-Acid,
Few Seeds**

Lovely with its soft-pink ring around the outside of its flesh, Mango Valencia's mild and sweet flavor, with vanilla notes, is reminiscent of mango. Ideal for eaters with acid sensitivities.

MORO *blood orange*

Juicy, Fresh Eating, Baking

Known as “the connoisseur’s” citrus, Moro blood orange is an Italian variety that boasts burgundy flesh with berry-like tasting notes. Fantastic in baked goods and cocktails.

NAVEL

orange

Sweet, Seedless, Easy-Peel

This classic is a well-loved, fantastic fresh eating orange! This orange is easy to identify by the navel-like formation at one end of the fruit.

MELOGOLD *grapefruit*

Juicy, Fresh Eating

Mellow in flavor and lower in acid than other varieties, Melogold is an excellent choice for eaters looking for an easy-on-the-palate grapefruit.

ORO BLANCO *grapefruit*

Juicy, Sweet, Fresh Eating

Ditch the sugar bowl. Oro Blanco's pale flesh is perfectly sweet and tender.

COCKTAIL *grapefruit*

Juicy, Fresh Eating, Low-Acid

With a bold lemon-grape flavor, Cocktail grapefruit is a surprising variety. Despite lots of seeds, this is one to check out for any citrus-lover looking for an exciting addition to cocktails or for snacking.

NAGAMI *kumquat*

**High-Acid, Edible Skin,
Sweet-Tart**

Edible sweet skin and tart flesh make Nagami kumquat a delicious little flavor bomb. Eat it fresh, or include it in your next baking or cocktail project.

MEIWA *kumquat*

Edible Skin, High-Acid, Sweet-Tart

Well-balanced sweet flavor when eaten whole, Meiwa's oil-rich skin is incredibly aromatic, making this variety delightful for snacking or recipes.

LEMONADE

lemon

Sweet, Low-Acid, Juicy

So sweet, you can eat it like an orange! Juicy and low-acid, Lemonade lemon is great for baking, juicing and fresh eating.

CHANDLER, GLOBE, THAI

pummelo

Sweet, Fresh Eating

The extra work needed to peel a pummelo is worth it! These red-fleshed varieties are sweet and tangy with a satisfyingly firm texture, unlike anything you've experienced with another citrus.

LAVENDER GEM

tangelo

**Juicy, Medium-Sweet,
Low-Acid, Floral**

Beneath its average-looking skin, this tangelo's blush-to-purple flesh is supremely juicy with hints of lemon, sweet mandarin and floral lavender. Lavender Gem is a truly unique and beautiful fruit.

MINNEOLA

tangelo

**Juicy, Sweet, Easy-Peel,
Fresh Eating, Seedless**

Nicknamed “The Honeybell” due to its shape, Minneola is large, round and super juicy. This easy-peeling tangelo is a forever favorite.

DAISY *mandarin*

Sweet, Mild-Acid, Easy-Peel

Medium-large in size and with easy-peel skin, this sweet variety has a balanced flavor.

Great for snacking.

TANGO *mandarin*

**Sweet, Juicy, Seedless,
Easy-Peel**

Sweet-tart flavor makes this easy-to-peel and seedless mandarin one of the most loved varieties around.

LEE NOVA
mandarin

**Juicy, Sweet, High-Acid,
Aromatic**

Round and large with intensely aromatic skin full of alluring citrus oil, this sweet and rich mandarin is high in acid and sugar. Delicious for fresh eating.

FREMONT *mandarin*

Sweet, High-Sugar, Easy-Peel

Fremont is packed with flavor! This easy-peeling, tender-fleshed mandarin is high in sugar and delicious eaten fresh.

SANGUINELLI *blood orange*

Juicy, Fresh Eating, Baking

Sweet and fragrant, Sanguinelli blood orange is a dramatic variety from Spain. Mix its dark pink, fruit punch flavored juice into cocktails or segment the fruit into a seasonal salad.

TAROCCO

blood orange

Juicy, Fresh Eating, Baking

Rich and fragrant with subtle raspberry notes, Tarocco is known as Italy's finest blood orange variety. Fantastic for baking, squeezed into cocktails or tossed into salads.

MARMALADE

sour orange

High-Acid, Aromatic

Robust in both scent and flavor, this sour variety is the ideal orange for creating sweet-tart marmalades and jams.

VALENCIA

orange

Sweet, Juicy

Popular and excellent as a juicing orange, the skin of this sweet variety clings to its flesh, making it perfect for slicing into wedges for fresh eating.

CENTENNIAL *kumquat*

**Edible Skin, Few Seeds,
Fresh Eating, Baking**

Larger than other kumquat varieties, Centennial's thin edible skin, sparse seeds and juicy sweet-tart flesh make this variety delightful for snacking or using in baking projects.

MANDARINQUAT

kumquat

**Juicy, Sweet, Edible Skin,
Aromatic**

A cross between a kumquat and a mandarin, its thin edible skin and juicy flesh make this variety a delicious treat! Its flavor begins sweet and ends tart. Get ready for a dynamic flavor experience.

MAKRUT

lime leaves

Aromatic, Infuse, Cooking

Makrut lime leaves taste of citrus and have an aroma reminiscent of mandarin orange, lemon and lime. Use them like a bay leaf in curries and soups.

VALENTINE

pummelo

**Sweet, Juicy, Fresh Eating,
Easy-Peel, Few Seeds**

A cross of pummelo, mandarin and blood orange, Valentine pummelo's juicy red flesh resembles a heart when halved length-wise, tapered end down.

GOLD NUGGET *mandarin*

**Sweet, Juicy, Easy-Peel,
Seedless, Fresh Eating**

This high sugar mandarin variety is easy to peel, packs tons of sweet flavor and is always seedless. Known as one of the best tasting mandarin varieties, this is a favorite amongst citrus fans.

PIXIE *mandarin*

**Sweet, Juicy, Fresh Eating,
Seedless, Easy-Peel**

Sweet with a pleasantly mild flavor and perfectly sized for on-the-go snacks or lunchboxes, Pixie is ideal for even the tiniest of citrus lovers.

MURCOTT

Tangerine

**Sweet, Fresh Eating,
Very Few Seeds, Easy-Peel**

Sweet, rich in flavor and with bright orange flesh, this juicy, easy-peeling tangerine is ideal for snacking

SEEDLESS *lemon*

Seedless, Baking, Zest, Infuse

Everything you love about lemons, without the seeds! Seedless lemon makes adding a squeeze easy peasy and assembling lemony recipes or tangy beverages quick work.

LEMON

Juicy, Baking, Zest, Infuse

This quintessential source of bright acidity is a powerhouse in the kitchen! Classic lemon is a staple for adding citrus tang to beverages and more.

HONEYGOLD *grapefruit*

Juicy, Fresh Eating

Honeygold's golden-pink flesh is a wonderful bouquet of flavors, packed with juice that tastes sweet with a hint of honey balanced with pleasant tartness. Not white and not red, light pink Honeygold finds the “sweet” spot in between.

TDE *mandarin*

**Juicy, Sweet, Fresh Eating,
Juicing, Easy-Peel, Seedless**

TDE mandarin delivers big flavor!
Super sweet, tender and juicy this late-season
mandarin is worth the wait.
