

# JUSTICE GOLF TOURNAMENT: BENEFITTING THE JUSTICE REFORM

## SPONSORSHIP 2023

The Justice Reform is a non-profit organization that exists to answer the cry for justice by bringing reformation from city to city. Currently, we are building The Justice Residences, which are long-term restoration homes that will house up to 100 survivors of human trafficking at a time. This golf tournament will help to fund The Justice Residences, with the first currently being built in Fort Worth, TX and more being built in cities across the United States!

**We ask that you consider sponsoring, contributing to, or registering to be a partial sponsor at this event.**

Events like this offer the opportunity for communities to band together for the building of The Justice Residences and to provide long-term restoration to women in need. Equipping them to be healed, restored, and sent out as the reformer they are called to be in whatever trade or profession they choose.
