Finding your provider.

Follow our simple search instructions.

STEP 1

Go to www.healthcarehighways.com. On the home page, scroll down to the "Quick Links" section. Click on "Find a Medical Provider".

STEP 2

You've now accessed the provider search page. Scroll down until you find the state icons listed. As a member living in Oklahoma, **click on Oklahoma.**

STEP 3

A drop down menu will appear with different networks listed. As a member living in **Oklahoma**, your network will be **HCH Plus.** Start your search by clicking on the first **HCH Plus network** button.

STEP 4

Start your search by entering your search location. Provide an address, city, or zip. You also have the option to allow us to use your current location.

STEP 5

Now you can start your search for doctors, hospitals, specialists and more by selecting the icons on the main dashboard.

At any time you can check to make sure that your location and network information are correct. Do this by viewing what is displayed it in the upper right hand corner. It should reflect your location in Oklahoma as well as Healthcare Highways Plus network next to the plan.

STEP 6

A list of one or more providers will appear, depending on your search parameters. Scroll to select your provider. Within each listing, you'll find basic contact information. You may click on 'directions' to get turn-by-turn driving instructions. Print or save your results.
