Citizens Committee for New York City
Now is the time to come together to be All In For NYC as we rethink, reimagine, and rebuild the greatest city in the world.

**Monday, October 17, 2022**

**Evening in Central Park**

We are excited to be hosting our signature fall fundraiser at our new location, Tavern on the Green! This year we are excited to be honoring Kelley Cornish, Partner in the Restructuring Department of Paul, Weiss, Rifkind, Wharton & Garrison LLP as well as Mitch Drucker, Partner in the Ares Credit Group for their commitment to enhancing our great city. Please join us for cocktails, dinner, music, and a special performance as we celebrate our resilient city and those who have helped it stay great!

**Wednesday, October 19, 2022**

**Impact Summit**

The one-day conference convenes grassroots community leaders, academics, elected officials, strategists, and community residents, working toward the public good of New York City. The ideas summit positions New York City to become a more moral, just, and equitable place for all by leveraging this moment of rebuilding. Details on presenters, sessions, topics, and sponsors are forthcoming.

**Friday, October 21, 2022**

**Day of Action**

Calling on all New Yorkers to roll up their sleeves and take action! CitizensNYC will be hosting its annual Day of Action where volunteers are matched to projects that align with their location and talents all throughout the five boroughs. Volunteers will have a chance to get involved in their community gardens, local schools, senior centers and other community hubs and build relationships with their neighbors and grantee partners. Whether it is helping the elderly with errands or repainting community park benches, let’s be in community and strengthen bonds so we can be all in for New York City together. We will have sites in Manhattan, the Bronx, and Queens. Community Volunteering Partners: 6th and B Community Garden; Bronx Sunshine Garden; SEQ Cleanup.
