Vice-President Academics and University Affairs

**Education For All**

Tuition costs are constantly rising and the COVID-19 pandemic has presented immense financial difficulties for many students. Yet, tuition costs continue to increase in light of remote learning. The VP AUA, along with all of the campaign executives, has been working on a campaign to advocate for lower tuition costs for both domestic and international students. The first open planning meeting for all students will be held on August 25th, 2020 and bring student leaders together to create an effective campaign that is representative of all students’ needs. For more information, please contact Lubaba at academics@scsu.ca.

**DSA Training**

The VP AUA, along with fellow executives and staff, has been developing materials and tools for the second round of DSA training. All DSAs must attend a training session to be recognized by SCSU. For the 2020-2021 school year, DSA training will include training on DSA processes, funding, campaigns, as well as remote programming within the COVID climate. The second round of DSA training will be held sometime in September. For more information, please contact Lubaba at academics@scsu.ca.

**Free Book Network**

With high tuition fees that continue to rise, the VP AUA is striving to mitigate the financial burden placed on students at UTSC by looking to improve the current Free Book Network. While the Free Book Network has allowed students to reduce their overall expenses by providing a central textbook exchange for students to recycle their old textbooks for new textbooks, the COVID climate has presented many unprecedented safety concerns. As such, the VP AUA is looking to create an online platform for E-textbooks that allow students to access their educational resources in a manner that is safe and secure. For more information, please contact Lubaba at academics@scsu.ca.

**DSA Carnival & Town Hall Series**

Throughout the summer semester, remote programming has presented many challenges, though many students have overcome these barriers and continued forward with events to engage UTSC students. Many Departmental Student Associations, such as the Geography & City Studies Students’ Association, as well as the Political Sciences Students’ Association, have held a handful of events throughout the semester with the support of the VP AUA. The GCSA was successful in hosting a DSA Carnival to engage students through different online activities and create a social atmosphere to foster connections while students live and work remotely. The PSSA has been hosting a Town Hall Series throughout the semester and recently brought guest speakers such as Vice Dean and VP Academic William Gough, as well as MPP Doly Begum, to discuss current events and issues that are important to UTSC students. For more information, please contact Lubaba at academics@scsu.ca.

**Meeting with AccessAbility**

On August 18 VP External and VP Equity met with the UTSC AccessAbility Office. The meeting consisted of sharing goals for the year including the possibility for collaborations between AccessAbility and the SCSU. VP External also raised the concern regarding challenges students experience with the new remote learning climate, and how to better support students registered with the AccessAbility Office. For more information, please contact Eesha at external@scsu.ca

**Vice-President Campus Life**

**Orientation Team Volunteers Hiring**

In the month of August, Campus Life finished the hiring process for the orientation Senior Leaders team. The team is comprised of a group of passionate, talented student leaders who are willing to make sacrifices in their own time to contribute to a legendary SCSU Orientation. For more information, please contact TJ at campuslife@scsu.ca.

**Orientation Outreach**

Helps from different departments and student bodies are needed for an amazing FROSH. Campus Life and Orientation Coordinators reached out to groups, keynote speakers and performers on-and-off campus for them to bring FROSH some well-needed fresh blood. This year Campus Life is also doing the club fair online in a format that replicated the in-person club fairs of the past yet it is more efficient for each club host a Zoom room while first years can come in and out the zoom rooms to get to know and sign up for student clubs. Our music
performance this year is also in collaboration with radios across U of T Campuses, bringing more exciting names to perform for us. For more information, please contact TJ at campuslife@scsu.ca.

VP ACADEMICS AND UNIVERSITY AFFAIRS

REFRESH

The VP AUA, along with numerous BODs, campus groups, clubs, and DSAs, has been developing REFRESH. REFRESH is SCSU’s first ever wellness week catered to helping students cope during the COVID climate by learning different mental health practices and developing new skills through workshops hosted by various campus groups. REFRESH was held from July 7th-10th, 2020. For more information, please contact Lubaba at academics@scsu.ca.

Mental Health

The VP AUA has been developing a feedback survey to collect stories of UTSC students who have had experience with mental health services on campus and within the local UTSC community. Mental health services on campus have often lacked key characteristics that are vital to supporting students and need to be updated. With lived experiences of UTSC students to inform an upcoming campaign, the VP AUA and fellow SCSU executives are striving to advocate for improved mental health services on campus and within the UTSC community. For more information, please contact Lubaba at academics@scsu.ca.

Tuition Fees

The VP AUA has been developing a letter to the Provincial Government to address tuition fees in the context of remote learning. Remote learning has presented great challenges for students and faculty alike,
and tuition fees at UTSC should be reflective of the quality of learning students receive. With many services being inaccessible to students, both domestic and international, tuition fees must reflect the quality of education that students engage in at UTSC. For more information, please contact Lubaba at academics@scsu.ca.

Gender-Based Violence

The VP AUA, along with the VP Equity and Internal Coordinator, has been working on developing numerous asks for the administration to adapt to address gender-based violence at the University of Toronto. Through research informed by federal initiatives and surveys collected to address gender-based violence, the VP AUA and colleagues continue to formulate priority areas for the University to highlight and introduce new initiatives. For more information, please contact Lubaba at academics@scsu.ca.

DSA Training

The VP AUA, along with fellow executives and staff, has been developing materials and tools for the first round of DSA training. All DSAs must attend a training session to be recognized by SCSU. For the 2020-2021 school year, DSA training will include training on DSA processes, funding, campaigns, as well as remote programming within the COVID climate. For more information, please contact Lubaba at academics@scsu.ca.

VP CAMPUS LIFE

SCSU Friends Café Jackbox Night

On July 2nd, Campus Life hosted an online game night event, engaging UTSC students to form fun connections and improve mental health outcome. For more information, please contact TJ at campuslife@scsu.ca.

Orientation Planning

On July 5th, our senior and junior orientation leaders started working with VP Campus Life to envision and structuralize the upcoming SCSU Orientation--Starship. Starship has two parts which are Starship Launching (online) that happens in fall and Starship Landing that happens in winter (in-person). Campus Life nailed down the approach to engage students in an online FROSH predominately with well-produced, pre-recorded videos and professional live streaming. With influences from the traditional FROSH format, the format of the 2020 orientation gets its main inspiration from great literature works such as ‘War and Peace’ by Leo Tolstoy and ‘A Song of Ice and Fire’ by George R. R. Martin in which participants(readers) immerse themselves in one house mission(narrative) amongst other ever-unfolding house missions. The uniqueness of Starship Launching lays at the fact that the ending of all the narratives are not completed
by the writers. Instead, each first year’s actions can potentially impact the ending to all the narratives, hence change the story. To register, the first years only need to pay for Winter (in-person) portion of FROSH as Campus Life made the Fall (online) portion of FROSH free for all UTSC first years to attend. Other marketing strategies for Starship are also groundbreaking. For more information, please contact TJ at campuslife@scsu.ca.

Orientation Social Media Advertising

A great piece of art is pleasing to the perception systems of its viewers and touching to the souls. With helps from various UTSC musicians, writers, and visual artists, Campus Life Brought the fictional universe of Starship to life. By commissioning theme song tracks for all three houses from UTSC musicians and commissioning fictional history log writing from UTSC writers, Campus Life created a living and breathing universe out of thin air. Campus Life also draw and edited character-introductory concept arts and photography artworks, making the social media advertisement for SCSU Orientation 2020 multifaceted. For more information, please contact TJ at campuslife@scsu.ca.
