On November 3rd, President and VP AUA Lubaba Gemma attended a meeting with Bill Gough, Katie Larson and Jamie Donaldson to discuss the possibility of introducing the option for students who are taking classes during this global pandemic to have the option to CR/NCR in extreme cases. For example if the student gets COVID-19 and misses the majority of the course requirements needed in order to receive a decent grade. Although the UTSC Academic administration was interested in hearing what we had to say, no confirmation for a safety net like CR/NCR for the students taking classes during the pandemic. We also discussed the course CSCC37, where the professor did not upload any material for their students leaving students feeling anxious and worried about what the future of this course will look like especially with final exams fast approaching. The UTSC Academic administration reassured us and the students of CSCC37 that they are aware of the situation and can’t talk too much about why the professor didn’t upload any content. However the students were informed by the dean of the computer science department that they can either CR/NCR the course or withdraw from the course completely and receive a refund. For any more information, suggestions, or questions please contact Sarah Abdillahi at president@scsu.ca

INDEPENDENT AUDITORS’ REPORT

To the Board of Directors:
Scarborough Campus Students’ Union

Opinion
We have audited the financial statements of Scarborough Campus Students’ Union, which comprise the statement of financial position as at April 30, 2020, and the statements of operations and changes in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Scarborough Campus Students’ Union as at April 30, 2020, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion
We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Scarborough Campus Students’ Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing Scarborough Campus Students’ Union’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Scarborough Campus Students’ Union or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for over seeing Scarborough Campus Students’ Union’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scarborough Campus Students' Union's internal control.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Scarborough Campus Students' Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Scarborough Campus Students' Union to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

1. PURPOSE OF THE ORGANIZATION

Scarborough Campus Student's Union (SCSU) is a not-for-profit organization operating programs and providing services and advocacy for the full-time undergraduate students at the University of Toronto Scarborough and is exempt from income tax under the Income Tax Act. The primary objectives include: improving the quality of campus life, services and education, and to represent the member students in areas of common interest. Financial operations are administered by an executive committee subject to approval by the Board of Directors.

SCSU has a custodial responsibility for the Student Centre building at 1265 Military Trail under a Student Centre Management Agreement with the University dated October 15, 2004.

2. SIGNIFICANT ACCOUNTING POLICIES

SCSU issues only financial statements.

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Revenue recognition

The collection and amount of non-academic incidental fees charged to students in Ontario is regulated by the Ontario Ministry of Advanced Education and Skills Development through its Ontario Operating Funds Distribution Manual and Compulsory Ancillary Fee Policy Guidelines. Pursuant to these, a change to or introduction of a fee must be done in accordance with a long-term protocol established between the University and its student government. SCSU's protocol with the University of Toronto Scarborough requires a referendum of the student body for significant changes to or the introduction of fees.

Fees collected from the students for a specific purpose, pursuant to referendums of the student body, are accounted for using the deferral method of accounting for externally restricted contributions. Restricted fees are initially shown as a liability upon receipt of the funds. When the funds are disbursed for their intended purpose, the liability is reduced and an equal amount is then recognized as revenue and expense. All fees, with the exception of two described below, are collected by the University of Toronto Scarborough and periodically remitted to SCSU.

The Student Centre Levy collected from students as part of the SCSU fee is not recognized as revenue. This levy is withheld and retained by the University of Toronto Scarborough and applied to the building's financing. The University of Toronto Scarborough is required to retain legal title to the building, and contributions towards the cost of the building, or material renovations made to the fabric of the building, become the property of the University and are therefore treated as either repairs and maintenance expenses, or expensed as a contribution towards the building.

Similarly, the UTSC Sports & Recreation Complex Levy collected as part of the SCSU fees is also withheld and retained by the University of Toronto Scarborough for the same reasons.
2. **SIGNIFICANT ACCOUNTING POLICIES** (continued)

**Revenue recognition** (continued)

Sales and rental revenues are recognized when the related goods are sold or the services performed. Any monies received as a deposit are initially shown as unearned revenue and deposits under the liabilities and then taken into income when the goods and services are provided.

The health and dental plan administration fees charged is $6.37 a semester for each enrolment under Dental coverage, and $6.37 a semester for each enrolment under Accident and Prescription Drug coverage. The total administration fees allocated from H&D fees collected from a student enrolled under both plans for a full year is $25.48.

Leasing revenues are recognized on a straight-line basis over the term of the lease.

Interest is accrued on a daily basis.

**Inventory**

Inventory consists mainly of admission tickets and Toronto Transit Commission (TTC) fares. It is carried at the lower of cost and net realizable value on a first-in first-out (FIFO) basis.

**Property and equipment**

The property and equipment are recorded at cost and amortized over their estimated useful lives. Computer equipment is amortized over five years on a straight-line basis. Equipment and furniture is amortized over ten years on a straight-line basis.

**Investment in subsidiary**

SCSU is the sole controlling shareholder of SCSU Restaurants Inc. (o/a Rex's Den).

SCSU elected to account for its investments in its subsidiary using the equity method. The investment is initially recognized at cost and subsequently adjusted to take account of the share of net income reported by the subsidiary, computed by the consolidation method. Dividends declared by the subsidiary are recognized as a reduction of the investment. At the end of each reporting period, SCSU determines whether there are indications that an investment may be impaired. When there is an indication of impairment, and SCSU determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in income. If the indicators of impairment have decreased or no longer exist, the previously recognized impairment loss may be reversed to the extent of the improvement. The adjusted carrying amount of the investment may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in income.
2. **SIGNIFICANT ACCOUNTING POLICIES** (continued)

**Contributed services**

SCSU makes extensive use of volunteers in its activities. SCSU does not record these contributed amounts due to the difficulty in determining their fair market value.

**Financial instruments**

SCSU initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions. SCSU subsequently measures all its financial assets and financial liabilities at amortized cost using the straight-line method. Financial assets measured at amortized cost are cash, guaranteed investment certificates and accounts receivable. Financial liabilities measured at amortized cost are accounts payable and government remittances.

**Use of estimates**

The preparation of these financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the current period. These estimates are reviewed periodically and adjustments are made to the revenues and expenses as appropriate in the year they become known. The primary estimates concern the net amount recoverable from the loans and investments in the for profit subsidiaries. Actual results may differ from these estimates. Actual results may differ from these estimates.

**Impairment**

When there are indications of possible impairment, SCSU determines if there has been a significant adverse change to the expected timing or amounts of future cash flows expected from the financial asset. The amount of any impairment loss is determined by comparing the carrying amount of the financial asset with the highest of three amounts:

(i) The present value of the cash flows expected to be generated by holding the asset, discounted using a current market rate of interest appropriate to that asset;

(ii) The amount that could be realized by selling the asset at the date of the balance sheet; and,

(iii) The amount expected to be realized by exercising its rights to any collateral held to secure repayment of the asset, net of all costs necessary to exercise those rights.

Reversals are permitted, but the adjusted carrying amount of the financial asset shall be no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized.

4. **DEFERRED GROUP HEALTH AND DENTAL PLAN FEES**

The health and dental group insurance plan portion of the student fees collected are also accounted for using the deferral method, consistent with the treatment of the other restricted fees above. It is shown here separately due to the magnitude of the plan. The ending balance represents the amount remaining in the fund at the fiscal year-end. Payments made subsequent to the year-end are disclosed to show the amount in the fund at the end of the academic year.

5. **INVESTMENT AND LOANS TO RELATED PARTIES**

SCSU's initial investment in SCSU Restaurant Inc. included $100 for 100 common shares together with advances to fund its operations.

SCSU Restaurants Inc. continues to be in a deficit position. Accordingly, the value of the investment has been impaired to reflect management's estimate of the net amount that will be recovered within ten years.

6. **RECOVERY OF STUDENT CENTRE CONTRIBUTIONS**

On December 1, 2011, the SCSU contributed $817,002 towards the Student Centre's repairs and renovations. These repairs and renovations include the Dentistry office, which has entered into an agreement with SCSU on July 31, 2017 to reimburse $100,000 over the course of the next 10 years. This is to be repayable in equal monthly instalments of $833 starting August 1, 2017. The balance remaining at April 30, 2020 is $74,167 (2019 - $82,500).

<tr>

</tbody>
</table>

The net profit realized is primarily due to commissions received from the sale of TTC on tokens, day passes and VIP passes. Losses are due to the restocking fee charged by TTC on the return of unsold Metropasses, which exceeded commissions in the current year. Post-secondary passes do not generate a profit as they are sold to students at cost. The sale of TTC metropasses was discontinued on December 31, 2018 and the sale of TTC tokens was discontinued as of November 30, 2019. As a result SCSU will only be generating marginal revenue from TTC sales in the future.

The operating subsidy is received from the University. These funds are used to offset the costs of operating Rex's Den. This subsidy is not student fees, and is passed directly through to the restaurant.

10. FINANCIAL INSTRUMENTS - RISKS AND UNCERTAINTIES

SCSU regularly evaluates and manages the principal risks assumed with its financial instruments. The risks that arise from transacting in financial instruments include credit risk, liquidity risk, interest rate risk, market risk, and foreign currency risk. The following analysis provides a measure of the SCSU's risk exposure and concentrations. There are no significant changes in the risk exposures from the prior period.
10. **FINANCIAL INSTRUMENTS - RISKS AND UNCERTAINTIES** (continued)

**Credit Risk**
Credit risk is the risk that one party to a financial asset will cause a financial loss for SCSU by failing to discharge and obligation. SCSU provides credit to its customers in the normal course of operations. The financial asset with credit risk exposure is accounts receivable since failure of any of these parties to fulfil their obligations could result in financial losses for the company. Management assesses, on a continual basis, the probable losses on the receivables and sets up a provision for losses based on the estimated realizable value based on prior experience. SCSU is also exposed to a concentration of risk in that all of its cash is held with financial institutions and the balances held are in excess of Canadian Insurance Corporation (CDIC) limits.

**Liquidity Risk**
Liquidity risk represents the risk that SCSU could encounter difficulty in meeting obligations associated with its financial liabilities. SCSU is exposed to this risk mainly in respect to its accounts payable and other amounts owing. SCSU meets its liquidity requirements by preparing and monitoring forecasts of cash flows from operations, anticipating investing activities, and holding assets that can be readily converted into cash.

At the year end, SCSU is not exposed to any significant credit risk, interest rate risk, market risk or foreign currency risk.

11. **SUBSEQUENT EVENT**
Subsequent to April 30, 2020, countries around the world have been affected by the COVID-19 virus, which was declared a pandemic by the World Health Organization on March 11, 2020. This pandemic has placed restrictive boundaries on how businesses can operate, requiring social distancing and other measures. While the Union continues to operate on a basis as similar as possible as in the past, it is unclear what impact this pandemic will have on business going forward. As such, the impact of this event has not been reflected in the financial statements.
