6. Catchafire

Catchafire acts as a bridge between volunteers who are willing to donate their time and efforts and non-profit organizations who are in need of their skills. How it works is that volunteers can choose from projects that they want to work on in the Catchafire's website. There are a variety of projects that differ from one another from the time commitment required and the type of job done. Depending on the skills that you are trying to develop and the time you are willing to commit, you are able to find the perfect project for your career.
