**CITY OF ENCINITAS
DEVELOPMENT SERVICES DEPARTMENT
MOBILITY ELEMENT OF THE GENERAL PLAN
NOTICE OF COMMUNITY WORKSHOP**

The City of Encinitas is preparing the Draft Mobility Element Update. The first community workshop for the Mobility Element Update will be held on:

**Tuesday, August 3, 2021 at 6:00pm - 8:00pm
Encinitas Community and Senior Center
1140 Oakcrest Park Drive
Encinitas, CA 92024**

This workshop provides an opportunity for community members to learn about the Encinitas Mobility Element Update process as it kicks off and provide important feedback to develop goals and policies for transportation needs to create a citywide network. We want to hear from all types of mobility users, including pedestrians, cyclists, transit, and drivers. More information on the Mobility Element Update is available at the project webpage on the City's website: encinitasca.gov/Mobility-Element

The State of California mandates that all cities and counties prepare a Mobility (Circulation) Element as part of the comprehensive General Plan. The Mobility Element Update represents the City's effort in fulfilling the requirements under the State Law.
