

THE BUTCHER'S WIFE

Relax. You're among friends.

Here is where we bake, ferment, pickle, and preserve delicious things for people like you who care about ethical, responsible sourcing of ingredients. You'd be amazed by how many we find right here in Singapore.

If you detect a Brazilian vibe to the cookery, a sensual interweaving of flavours to make the most of the freshest seasonal ingredients - great, because that's the way we roll. Samba-style.

For wines we dance to the tune of the Drunken Farmer's natural, organic, 'living' wines that taste of grapes, sun, and soil. No additives, no preservatives, no messing. Just a deep connection with planet Earth.

Did we mention the gluten? Well, there isn't any. None. Nada. Nowhere to be seen. Not one dish. We're categorically, blissfully 100% gluten free. It's no big deal but your gut will thank you and your taste buds will be gobsmacked.

Thanks for coming. Drop by again soon for a glass of sunshine or a small plate of happiness. We serve lunch and dinner from Tuesday to Sunday, and you're always welcome.
