Payment is made termly in advanced, by the first day of the month the term begins. Missed payments result in a £30 admin charge per missed payment, per day.

Termly Fees, and any insurances, are charged in advance, any extras or support charges in arrears.

Tuition fees are due across all three terms for all year groups, including Year 11.

Reductions on the Termly Fee are available for children of former pupils, for siblings whilst the older sibling is at the school and a forces reduction is available upon request. Please contact the Bursar for details. Payment of a year's fees in advance (by 22nd August) results in a 5% reduction against the annual fee.

Private tutoring can be arranged in house for an additional cost. Please see the bursary for further details.

The Registration Fee is £100 which covers administration and it is not returnable.

The Deposit of £600 is due as confirmation of parental intention before a child finally joins the school. This is held until the pupil leaves and returned at the end of their final term subject of full settlement of the account. It is not returned in any other way. Please note that if a pupil leaves at the end of Junior School and does not join Senior School the deposit is not returnable.

School Lockers can be hired via prefect lockers and details will be sent to you when your child joins the school.

Damage and loss to school property. Where damage is caused to School property through a pupil's negligence or wanton behavior or where School belongings, such as textbooks, are lost by a pupil the parents' account will be charged with the full cost of repair or replacement.

Withdrawal and Notice. In accordance with school policy a full term's notice is required before the premature removal of a child and in default of such notice a full term's fees will be charged, not inclusive of any discount or grant in place. Notice must be received in writing, on or before the first day of term, and is a contractual obligation which the Head is not at liberty to waive. The School does not offer any "rolling notice" provision. The responsibility of a full term's fees is incurred the moment a place is accepted in which case notice of withdrawal must reach the School not later than the first day of the term prior to that in which the pupil was to attend.

The Head has the right, should they consider circumstances warrant such action, to require the immediate removal of a pupil. In this event no claim shall arise for the remission or return of any portion of fees for that term or deposit.

Rebate of fees for absence from school is not given and parents should enroll in the School Fees Refund Scheme. Full details of this scheme is sent to parents when their children first join the School. It is the Parents' duty to ensure that all pupils' property is fully insured when at School. Pupils leaving part way through a school term will not receive a rebate of fees for days within that term that are not attended.

Health. Parents will inform the School of any notifiable or dangerous diseases. If a pupil requires emergency medical treatment every effort will be made to obtain the prior consent of the parent or guardian, but where this is impossible in the time available, the Head, or their appointed representative, acting in loco parentis, is authorised to give valid consent to such treatment, including anesthetic or operation, as may be recommended by the doctor.

Dangerous objects and substances. No pupils shall bring dangerous or illegal objects or substances to school. As with exclusion, suspension will not prompt any rebate for time spent away from school as a result of the students actions.

Pupils' money and expensive belongings. Expensive items and money should not normally be brought to School, but if they are then they should be handed to a member of Staff or the School Office for safekeeping. For details regarding mobile phones please refer to our mobile phone policy which can be found on our website.
