

Northern California Human Rights Clinic

The Human Rights Clinic (HRC) provides pro-bono forensic medical evaluations to asylum seekers in the Bay Area. We have served hundreds of asylum-seeking patients over more than 20 years.

We collaborate with immigration attorneys to provide asylum seekers with physical and psychological evidence of the injustices they suffered. This evidence supports individuals' immigration cases.

HRC services are provided free of charge. We are located at Eastmont Wellness Center - 6955 Foothill Blvd, Suite 150, Oakland CA.
