

Kauai Bible College Reunion, Feb 2022

We Joined The Navigators!

Wow! It's already March! Life has been a blur for the last several months. We left Iowa in August and have been living with Jewel's parents, the Hoffmans, in Southern California. We visited family for Christmas in Northern California and just got back from a wedding in Hawaii. If you haven't heard yet, our biggest news is that we joined the Navigators ministry! This ministry shares the gospel of Jesus Christ and helps others grow in Him through Life-to-Life discipleship.

The Navigators is also a support based ministry, so we're fundraising! We have been reconnecting with people and developing ministry partners. It's been an encouraging and challenging process. We have been able to connect and pray with old and new friends. As of writing, we are halfway there with fundraising! We are praying that we reach our funding goals within the next couple months, at which point we will move to Corvallis, Oregon, and work with the team of existing Navigators at Oregon State University.

Most recently in our funding process was our trip to Hawaii. We went for a wedding, but were also able to meet with people about our work with the Navigators. Reconnecting with old friends and making new ones was such a blessing. Many of the people we had time to see have joined our ministry team!

Praise Reports and Prayer Requests

- We are about halfway there with fundraising! It's exciting to see such great progress with the funding process.
- Our trip to Hawaii was amazing, and we got to meet with many people about the Navigators and grow our Ministry Team!
- We're still looking for people who want to join us in reaching and discipling college students in need of the gospel today! Pray that God raises up men and women who want to invest in His Kingdom.
