Geography 2050 is a multi-year strategic dialog about the vital trends that will reshape the geography of our planet over the coming decades. First launched in 2014, the American Geographical Society will convene this tenth installment of the Geography 2050 Symposium, bringing together thought leaders from academia, government, business, non-governmental social sector, and educators from across our nation who understand geography as a geospatial science that informs the way government leaders and financial professionals assess risks and opportunities.

To underwrite a custom SWAG Item - bag, lanyard, or water bottle - is $5,000

Underwriter will receive:

- 2 complimentary Symposium registrations
- 1 invitation to Chairman’s Dinner (Thursday, 16 November 2023)
- primary recognition in all marketing materials (digital announcements, directional posters, printed materials)
- specific recognition in Welcome and Conclusion Remarks
- logo placement and link to corporate homepage on Geography 2050 website
- logo placement and link to corporate homepage on AGS main website
- logo and name placement on program
- logo on SWAG item underwritten - SWAG bag, Lanyard, or Water Bottle
