2022 Arena National Championships

- USA Curling will host the Arena National Championships
  - Arena National Championships are club-based Championships that determine our top teams that play regularly on prepped skating ice in an arena setting. An arena club is defined as a club that is a member in good-standing of USA Curling and conducts all its on-ice activities by rending ice from a facility that is not solely or predominantly used for curling.

- Location:
  - Curl Mesabi
  - Nov. 3-6, 2022

- Eligibility:
  - U.S. citizenship or residency is required. In addition to the USA Curling membership requirements.
  - All team members must be dues-paying, league-playing members of the same USA Curling arena curling club. Individuals who also curl in a league at a dedicated ice facility are ineligible to participate.

- Qualification:
  - The field will be 12 men’s teams and 12 women’s teams, comprising two respective fields and 24 total teams.
    - One team is allotted from each of USA Curling’s member regions.
    - The two regions with the greatest number of entries will receive an additional berth. In the event there are two regions with the same number of entries, the number of entries in the previous season will be used to break the tie. If the tie remains, the region with the highest finish in the previous Club Nationals will receive the berth. In addition, the host club will receive berths in Men’s and Women’s Club Nationals.
    - If one or more regions or the host club are unable to field a team, the vacant slot(s) will be filled to a total of twelve teams, beginning with the region with the most teams registered, and proceeding with the other regions in order of number of entries.
  - Determining the fairest team selection or playdown process will be at the discretion of the region.
  - Regions must register their selected team and number of team entries to USA Curling between Sept. 2 – Oct. 30, 2022.
    - Regional presidents will be emailed directly with registration submission link.
