ARROWHEAD BIBLE READING PLAN

The Arrowhead Bible Reading Plan offers special features that will aid you in your journey through the Bible.

- By reading from four separate places in the Scripture every day, you should be able to better grasp the unity of the Scriptures, as well as enjoy the variety of seeing four different viewpoints.
- You can begin at any point of the year.
- To prevent the frustration of falling behind, which most of us tend to do when following a Bible reading plan, each month of this plan gives you only twenty-five readings.
- Since you'll have several "free days" each month, you could set aside a day to
 either not read at all, catch up on any readings you may have missed in the
 past week, or complete a study.
- If reading through the entire Bible in one year looms as too large a task, you
 can alter the plan to meet your needs. For example, you could read the
 gospels and the wisdom books this year, and the other two categories next
 year.

In the year ahead, ask God each day to speak directly to you from the Scripture portions you read. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior as you gain a better understanding of every part of His written testimony to us.
