ABOUT US

In the summer of 2014, The Bitter Alibi formed out of primordial slime and a half dozen highlifes at Hair of the Dog. What started as a social experiment to see if someone could open a bar so they didn't have to get a "Big Boy Job," is now a poppin' little spot.

After two years in, the crew opened The Daily Ration on the north side of town and haven't looked back since! Jason Bowers and his team are devoted to providing high quality food, drink, and service to everyone who comes in. Every person no matter their class, race, or creed is welcome and safe. In 2022 we are excited to add Clever Alehouse in Red Bank to the family! Even though the galaxy has thrown some punches at us, the team here at The Bitter Alibi has always been committed to showing up and dishing out some of the finest grub and drinks they can.

Thanks for coming in, hanging out, and being sweet. We love this town and the people in it! We're glad you came by. If you have any questions, concerns, or "what you should do" thoughts, write 'em down or email us.
