Memorandum of Agreement
PLEASE READ CAREFULLY AND SIGN

New Mission Collegiate Academy (NMCA) is one of the twenty “pilot” schools created by the
City of Boston to help improve the educational opportunities for young people in Boston Public
Schools. At NMCA, we believe that students are better served by a small school environment
where students and teachers get to know each other well, and where learning can be personalized
to better meet the need of the individual’s learning. New Mission Collegiate Academy is a
rigorous and challenging school with high expectations for everyone and a strong support system
to help students be successful in life. Our strong and dynamic culture of achievement is built on
several policies that may differ from traditional public schools. As a result, we ask that all families
commit to the following expectations before deciding to become a part of our community.

I, the parent/guardian of the aforementioned student, understand that as a member of the New Mission
Collegiate Academy Community I consent to the following:

All incoming Freshmen students who are accepted to New Mission Collegiate Academy are expected to
attend a summer orientation as well as attend the NMCA Homework Academy or Extended Day F block
on Tuesday and Thursday from 2:30pm-3:30pm for extra support if they are not achieving in their classes
at 70% or better.

Upperclassmen who do not maintain a class average of 70% or better are also subject to assignment
in the mandatory Extended Day F Block on Tuesday and Thursday or Saturday School for credit
recovery.

Families are expected to come to the school for their child’s Portfolio Review twice per year to enjoy the
very informative presentation that their child will make with regards to their learning.

New Mission Collegiate Academy has a mandatory Uniform Policy for Middle School students. All New
Mission students must wear the school uniform Monday - Thursday. The uniform consists of khaki (tan)
bottoms and a plain white-collar shirt.

In addition to the requirements outlined by the Boston Public Schools, students desiring a diploma from
New Mission Collegiate Academy must pass 4 years of Portfolio Review, 4 years of Math, Senior Seminar,
and a Senior Defense.

As a member of our school community, students and or their likeness may appear in printed and electronic
materials. Students desiring to opt out of this imaging may request forms from the main office.

☐ I do not consent to the media release above (check only if you DO NOT consent)
