Jesus encourages us to build up our treasure in heaven. The world encourages us to build up our treasure in real estate, investments and material goods. How much time are you investing in building up a worldly treasure? How much time are you investing in building up a heavenly treasure? **To invest more time in the things of heaven, you must let go of some of the things of this world.**

A Christian must always be ready - not so much for the end of the world, although that is inevitable - but ready to do good. Yes, Christ could come when we least expect it, and it could be in the guise of the neighbor, friend, or person in need.

“The only thing we take with us when we die, is what we have given away.”

~Francis Cardinal George

KNOW A SAINT St. Blane – August 10

Blane lived in the sixth century. He was born in Scotland and pursued his studies in Ireland. There he became a monk. After returning to Scotland he engaged in missionary work to spread the Faith. As a reward for his efforts he was made a Bishop and then he made a pilgrimage to Rome. After a lifetime of Evangelization he died in Scotland where he was born. Like St. Blane we are called to follow his tradition of spreading God's Word.
