Inclusion in Early Childhood: Universal Design and Assistive Technology

This workshop is for parents and early childhood & daycare providers

Presented by Debbie Drennan, Assistive Technology Specialist/Early Inclusion Facilitator

We will cover:

- The importance of inclusion in early childhood education
- How universal design for learning and assistive technology can support all learners
- Tools and strategies that can be implemented to support full inclusion

Wednesday, September 20, 2023
4:00 PM – 5:30 PM

Register here: https://tinyurl.com/EarlyEdInclusion

Presented in English with Spanish interpretation

Individuals with disabilities who require accommodations to participate should contact Jennifer Lucas at Jennifer.Lucas@scdd.ca.gov no later than September 13, 2023
