Join an educator each week to explore a different topic in science, technology, engineering, art, or mathematics through experiments, art projects, and more. RSVP required.

**Tiny Tots**
Children (Ages 3-6)
Learn about the outdoors with art projects.
RSVP required.

**Discover the Dunes**
All Ages
Get a taste of Jones Beach with a beautiful and easy walk. Take a guided walk down to the ocean and back to see what plants, animal tracks, and other features of the landscape there are to be seen on a given day, and learn about what makes Jones Beach unique. The walk consists of an out-and-back trail (1.5 miles).

**Birding & Biking**
Adults & Teens (Ages 12+)
It’s migration season! Join us for a leisurely bike ride with rest stops for birding. Learn about the different habitats on Jones Beach and keep your eyes open for shorebirds, Ospreys, Warblers, Tree Swallows, and more. No experience required. Binoculars are provided but bikes and helmets are not. RSVP required.

**S.T.E.A.M. Workshop**
Children (Ages 8-12)
Join an educator each week to explore a different topic in science, technology, engineering, art, or mathematics through experiments, art projects, and more. RSVP required.

**Sensory Exploration**
Children ( Ages 6-8)
Engage all your senses and explore the Center in a new way with our guided scavenger hunt. What can we learn when we really pay attention?

**EXTENDED SUMMER HOURS**
Thursdays
9:00am-8:00pm
Join a JBENC educator for an evening hike on the West End of Jones Beach. We will be guided by the dusk light and get the opportunity to explore how our beach’s ecosystem changes at this time of day.
