We appreciate your commitment to our community and to Kaniksu Land Trust. Partner sponsorships have allowed us to grow our organization and strengthen our conservation efforts, educational programs and recreational opportunities for all. Each year, Kaniksu Land Trust hosts **three signature events** that allow for sponsor participation and recognition. In each case we seek to utilize sponsorship support to cover event costs so that ticket proceeds and registration fees can directly benefit our programs. This is only possible with your support.

**Kaniksu Land Trust Signature Events**

**Pairings in the Pines**
This progressive tasting event invites guests to circumnavigate the Pine Street Woods Forest while sampling professionally prepared appetizers paired with thoughtfully selected wines, all while immersed in the sights and sounds of a picturesque setting at the forest’s edge.

*Attendance 130–150*

**Sled Fest**
Sled Fest is a one-day regional music festival aimed at raising funds and awareness for the Save the Sled Hill Campaign. With live music, a silent art auction, and food vendors, attendees will be able to enjoy a day of music and community while supporting a worthy cause. Guests are encouraged to bring picnics and blankets and spend the day listening to music and connecting with fellow community members.

*Attendance 1,000*

**What do these event proceeds support?**

Your support makes possible the conservation of important private lands and public access properties, the offering of innovative educational programs that build health and resilience, and the development of recreational opportunities that are accessible to all members of our community and will help support a vital local economy.
