

# Bellis

## STRONGER TOGETHER

# A new sisterhood of support will surround mothers who are no longer parenting.

Bellis is hosting weekly gatherings exclusively for women who have experienced permanent termination of parental rights. This is an opportunity to discuss grief, loss and what it means to walk through life as a mother whose children are parented by others.

### DETAILS

Whether your case was finalized months ago or years ago, you are welcome to this **free, safe & confidential conversation**.

A host will facilitate discussions. But the heart of the program is **women with shared experiences lifting each other** in acceptance, compassion, and friendship. No shame. No judgment.

**Refreshments** will be served.

The Crane Theater is a spacious, casual setting with ample room for distancing related to **COVID guidelines**.
