# A CONNECTED HOME

Smart home systems can simplify your life in a way you never thought possible but, without a professional on the case, they can be costly and difficult to install. Whether your home is old, new, incomplete or at design stage, we can implement smart home systems that will totally impress your guests and take your home to the next level.

# THE COMPLETE CHECKLIST

When it comes to the exterior of your home there are so many options for smart home automation. Think lighting for ambiance, CCTV for security and smart doorbell systems for convenience.

## EXTERIOR

### HOME SECURITY

- DOOR LOCK
- CCTV
- MOTION SENSORS

### HOME SAFETY

- SMART DOORBELL
- SMOKE DETECTION
- FLOOD DETECTION
- SENSOR LIGHTING

### AESTHETICS | AMBIANCE

- OUTDOOR LIGHTING
  - GARDEN LIGHTING
  - LED STRIP LIGHTING
- CONTROL

## ENTERTAINMENT

- OUTDOOR SOUND SYSTEM
- OUTDOOR TELEVISION OR THEATRE

## CONVENIENCE

- GARAGE DOOR

## AUTOMATION

- GATE AUTOMATION
- VOICE ACTIVATED VIRTUAL ASSISTANT

## TEMPERATURE

- OUTDOOR CLIMATE CONTROL
- MOTORISED BLINDS | SHUTTERS | SKYLIGHT

## MAINTENANCE & UPKEEP

- GARDEN WATERING SYSTEM | IRRIGATION
- POOL PUMP CONTROL

Due to current world events we're all spending more and more time at indoors so implementing smart home additions will greatly improve your level of comfort at home. Adding smart home integrations to your home including lights, automated blinds & curtains, and a voice automated virtual assistant will also increase the value of your home. Welcome to the future!

## CONVENIENCE

- AUTOMATED BLINDS OR CURTAINS
- AUTOMATED LIGHTING
- VOICE ACTIVATED VIRTUAL ASSISTANT
- WALL MOUNT FOR IPAD

## ENTERTAINMENT

- SOUND SYSTEM
- TELEVISION OR HOME THEATRE

## TEMPERATURE CONTROL

- CENTRAL AIR-CONDITIONING
- HEATING

# WE CAN HELP TRANSFORM YOUR HOME INTO THE SMART SPACE OF YOUR DREAMS

If you have employed an architect and are at the design stage of your dream home, or if DIY is more your style then it's a good idea to get us involved. Saying that, a smart home isn't just for a 'new home'. We'd love to hear about your smart home requirements no matter what type of property you have.

We are respectful of every home we enter and are great at what we do. We're excited to work with you to help build your dream home so contact us and let's turn your abode 'smart'.
