# THEY SAID TO HIM, "LORD, LET OUR EYES BE OPENED."

Matthew 20:33

The saying goes *Hindsight is 20/20*, but we all know that's not the case when looking forward. Our way is unclear, and our vision is fuzzy. Although we cannot offer future-seeing goggles, we can provide insight and advice to inform clients facing unexpected pregnancies. They come to us facing a very difficult time and we present to them all the life options. We want them to feel equipped so they can be confident in what the future holds.

We do this by offering the following services:

- Free Pregnancy Testing
- Confidential Options Counseling
- Ultrasounds
- Parentcare
- Fatherhood Initiative
- Post-Abortion Recovery
- Creating Positive Relationships Curriculum in Schools
- 24 Hour Helpline

We depend on your involvement and support to share this vision of hope and life. You can make this possible through the time and gifts you have to offer, and it will all be used to glorify Him. Won't you help us open their eyes so they can see there is more than just one choice?
