Get your World Turning

With woodturner Willie Creighton

Oide Creativity and Oide Technology Subjects, in collaboration with woodturner Willie Creighton, present a one-day elective workshop, open to all teachers.

This practical workshop offers participants an opportunity to:

- experience exciting ways to create wood-turned artefacts
- discover the natural properties and aesthetics of wood through the craft
- explore creative woodturning techniques including spindle and faceplate turning
- develop practical and creative approaches that may be used in classroom practice.
