Example of SLCP Adoption: SLN Tekstil ve Moda

‘Being an SLCP signatory since 2017, SLN Tekstil ve Moda considers it as a commitment to sustainable development. Since the pilot stage in 2018, SLCP assessment and verification processes supported the facilities’ management systems to continuously evolve.’

Nesrin Başer
Head of Corporate Sustainability

- 30% of core suppliers in the SLN Tekstil ve Moda supply chain have implemented SLCP.
- 80% of customers that make up 80% of their production volume are able to share their SLCP verified data with customers.

SLCP Journey and Strategy

2017
Became a signatory. Joined verification committee and participated in Pilots 1 & 2.

2018 & 2019

Since 2020
Both self-assessment and verification are done regularly.
