Client Testimonials

Thinking about working with Summit Compliance Group, LLC? We think we “do good work,” but don’t just take our word for it! See what others say:

“The level of compliance I receive with Summit is top notch; they are an extension of our team. They are so responsive and willing to do what it takes to help us grow our business. It is my favorite partnership.”

–KK, Vice President of Marketing, Independent Marketing Organization

“The efficiencies we achieve when using services from Summit create overall bottom-line growth. They have years of experience, provide an objective industry compliance opinion, and are an invaluable resource at a great price. There is simply no one better.”

–Mark Williams, President & CEO, Steve Smith, Chief Marketing Officer, Broker’s International, Urbandale, IA

“Within the first week of working with Summit, I could see, and more importantly feel, the difference from other compliance companies. Summit genuinely cared about our success and our customers’ safety and wellbeing; compliance became a way to safely enhance our message. Our discussions revolve more around how to make the best customer experience and ‘following the rules’ guides us to that outcome. They have helped us grow our business in confidence. Given how much bad advice is out there, trusted guidance is everything Summit has earned my trust.”

–Matthew (Matt) Walker, CEO, Absolute Retirement Solutions, Overland Park, KS

“Summit is a great educator – we learn what can and cannot be said which makes us more efficient the next time. This partnership makes us our own ‘first responder.’ They help us develop independent materials to stand out and be competitive.”

–Alisa Meireis, Director of Marketing & Client Relations, Rick Meireis, Director of Web Development and Communications, True Peace Financial, Overland Park, KS
