The Friends of St Stephen’s Church
St Albans
A Church at the heart of the Community.

Since its foundation by Abbot Ulsinus of St Albans, in AD 948, St Stephen’s Church has been an integral part of the community from welcoming pilgrims before they visited the shrine of St Alban to our clergy presiding at the Baptism, marriage and funerals of parishioners. There are also several outreach groups such as our popular Lunch Club which meet on a regular basis.

The size of the church has grown from a small building to what it looks like today after being restored in the 1860s by George Gilbert Scott. The church hall was added in 1991 after the demolition of the old Cavalier Hall on Watford Road.

The eagle lectern is a copy of the much earlier famous Dunkeld Lectern, which it replaced. The original Lectern is on loan from the church to the Museum of Scotland.

The six bells, rung before services, for weddings and important state occasions were recast in 1957 to make them lighter. The previous bells from 1892 were too heavy for the frame.

Other points to note are the 13th century piscina in the Lady Chapel, the squint in the Sanctuary, the Victorian pews and other woodwork. The pulpit and canopy dates from 1936.
Who are The Friends of St Stephen’s Church and how can I become one?

The Friends of St Stephen’s Church was started in 2023 with the specific aim to provide for the conservation, maintenance, and development of the fabric of St Stephen’s Church, together with its facilities, fixtures, furnishings, and amenities. Also to provide for the maintenance of the Churchyard and to promote the conservation, protection, and improvement of the physical and natural environment.

The projects planned to help the church remain at the centre of the community in which it is placed will vary in size such as the replacement of a church noticeboard or the provision of interpretation boards for the wildlife area of the churchyard. Others will be bigger such as donating towards the improvement of the church organ. Your participation in these endeavours will ensure that it is there for future generations.

The church has been lucky to receive bequests from previous parishioners enabling specific projects to be implemented such as the installation of new porch doors, but there are many other smaller tasks which are ongoing, and it needs your help to do this. It costs approximately £200 per day to keep the church available for those who wish to visit it and spend time there.

A variety of fundraising events will be held each year to include talks, concerts, and quiz evenings.
