### EVENT SPACES

#### **Family Table**

14 seated

Our Family Table is located at the front of the restaurant, with views to the street level and an open view into our main dining room. This table is well suited for semi-private seated events as it is nicely secluded, but situated to feel part of the action of the restaurant.

#### **Blue Room**

60 standing, 40 seated

This semi-private space is apportioned with bar height and regular height tables, and nicely designed for events that are combination of seated and standing. With a direct sight into the kitchen, this area is active and lively, yet still private enough for networking receptions. We have the flexibility to divide the room based on capacity requests and can arrange the floor plan and table configurations to fit any specific need. A preset menu is required.

#### **Main Dining Room**

100 standing, 75 seated

The Main Dining Room can be reserved for semi-private seated or standing events. We can customize event flow based on preferences and arrange floor plans to meet any requirements. This dining space can accommodate a seated dinner for as many as 80 guests and a standing reception up to 150 guests. Speakers, live music and presentations are not allowed in this space when booked as a semi-private event. Other diners may be seated within visible proximity and passageways to the kitchen and bar will be kept open. A preset menu is required.

#### **Mondial Room**

50 standing, 40 seated

This space is a portion of our main dining room and is well apportioned for seated group dinners, accommodating up to 48 guests. This space can be semi-private, separated from other diners with floor to ceiling curtains, or situated with the curtains open for added ambiance from the restaurant. A preset menu is required.

#### **Moto Guzzi Room**

30 standing, 25 seated

Otherwise known as our Pizza Bar, this area can be sectioned off from the main dining room with floor to ceiling curtains, but will still feel lively and part of the action with direct access and sight to our two Stefano Ferrara pizza ovens. We can host private pizza making demonstrations in this area of the restaurant. A preset menu or private class is required.

#### **The Double Zero Bar**

100 standing, 40 seated

This semi-private space is ideal for Happy Hour events or casual celebrations. We can offer standing or seated receptions designed for catching up with friends or enjoying an evening after work with colleagues. Our reception style menu is designed for passing and allows for a laid-back style event. Other diners will be seated within visible proximity. A preset menu is required.

#### **Double Zero**

350 standing, 200 seated

If you wish to host an entirely private event, Double Zero can be closed to the public. A buy-out of the restaurant will include the entire Main Dining Room, Blue Room, and our bar. We can offer a seated or standing event for up to 400 guests. For buy-out events, a food and beverage minimum does apply, and is based upon the day and time of the week. A preset menu is required.

#### ***ADDITIONAL NOTES***

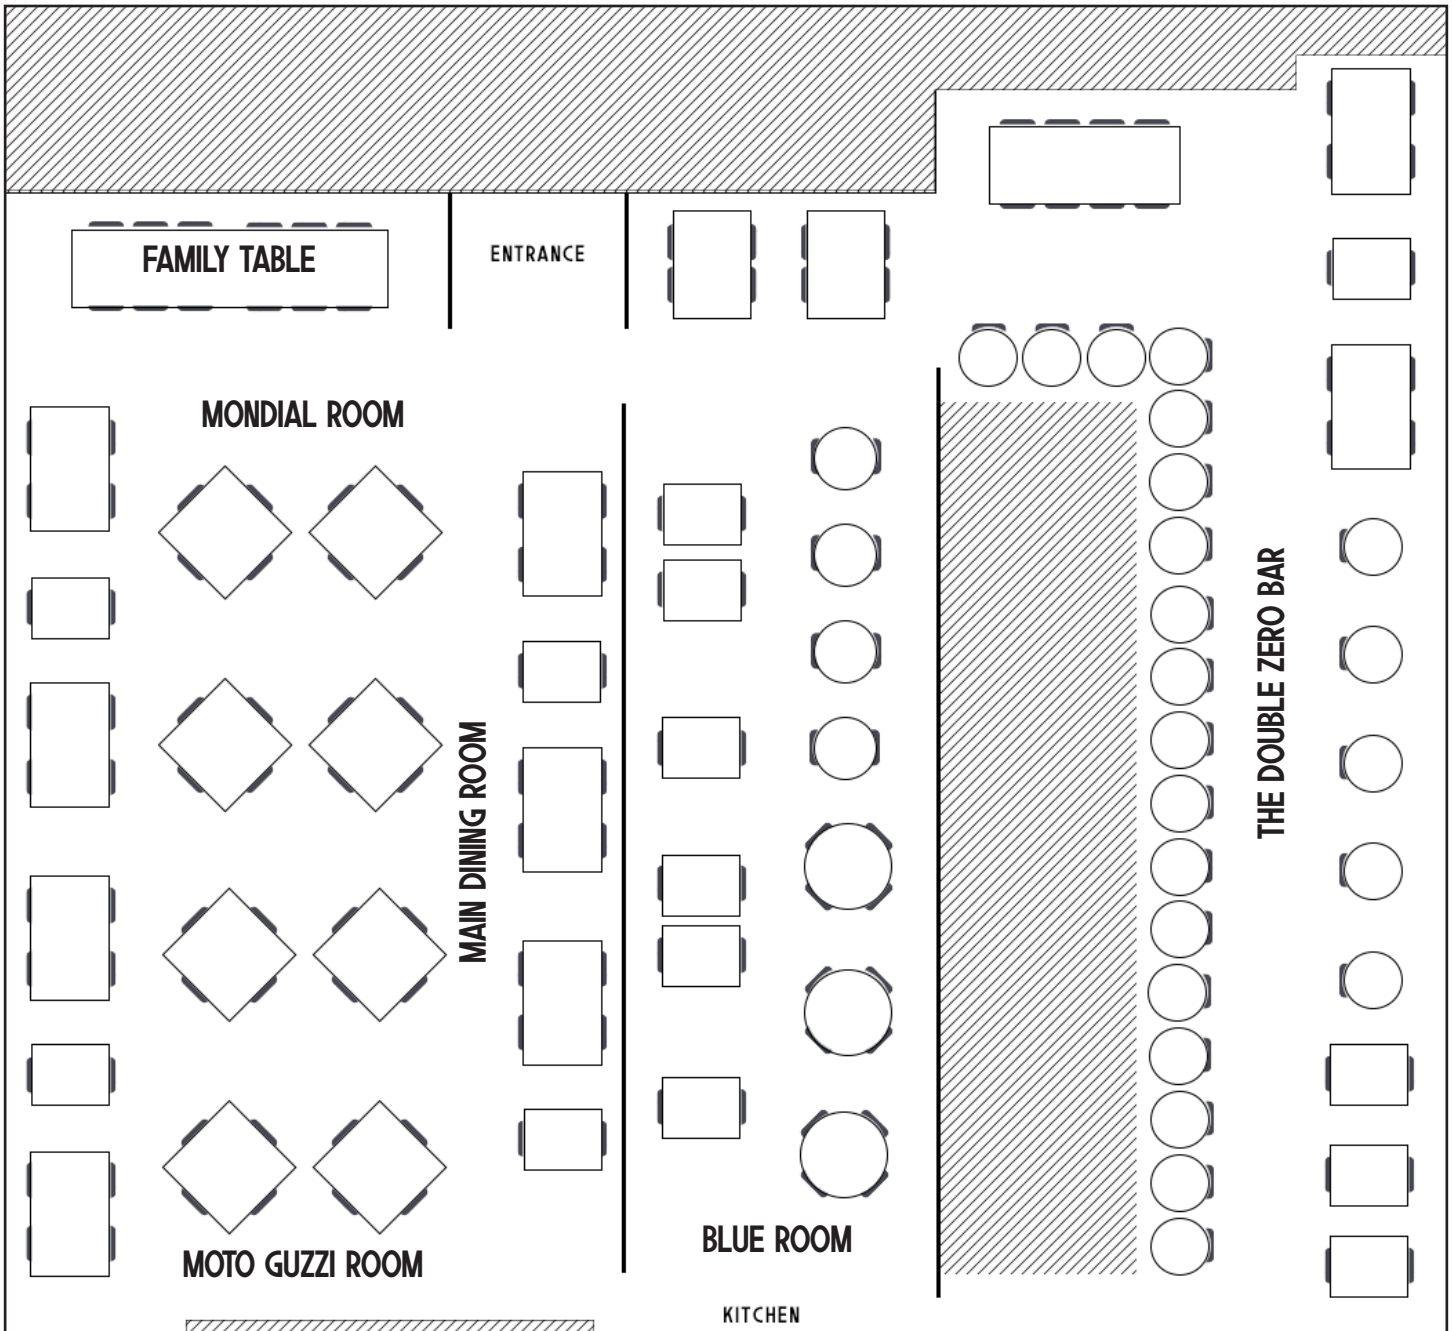

Double Zero is typically open for dinner service only. If you are interested in booking a luncheon, or daytime event, we would be happy to talk about your specific request. Please inquire for more details.

Double Zero has audio/visual equipment available for rent. Please let us know if your event requires a digital projector, screen and/or microphone.
